

AIC Roots PreK: Multisensory Christian Program

Little Roots PreK is a joyful, Christ-centered preschool for **potty-trained children ages 2.5–4**. We meet **Mondays & Tuesdays, 9:00 AM–1:00 PM**, planting deep roots in faith and early learning through Bible stories, worship songs, prayers, and hands-on multisensory activities.

Children grow in God's love by exploring:

- Sensory play and textured art
- Bible-based stories and songs
- Playful pre-reading, math, and science
- Music, movement, and group games
- Social-emotional growth rooted in kindness and Scripture

Our loving teachers nurture independence, friendships, and wonder in a small-group setting.

Optional Extension: Add the **Creative Builders Class** until 2:00 PM (extra fee) for more building, dramatic play, and sensory/STEM fun.
